**Subject:** Meeting Request on Asbestos

Hello Jeff and Tala:

ACC's Chlorine Chemistry Division (CCD) would like to set up a meeting with OPPT to discuss the chlor-alkali industry's use of asbestos in the context of a risk evaluation under the Lautenberg Act during the week of October 24th if that would be workable for you? If so, please let me know dates and times that week that you are available to meet and I will coordinate the folks on my end.

Thank you,

Christina
